To Whom It May Concern,

My name is Eva Liu, and I am the owner of Kings Omelets restaurant. I just recently saw my picture on the No on 26-201 website and my name in the voter pamphlet.

I had thought that I was signing on to oppose a different ballot measure; I didn't realize that I was signing on to oppose the Portland Clean Energy Initiative.

After learning how the Portland Clean Energy Initiative will create jobs, help lower utility bills, and how it will only impact corporations that make over \$1billion nationally, I have decided to support the Portland Clean Energy Initiative.

As of today, please take my picture of your website and do not use my name, business, or picture as part of the campaign to oppose the Portland Clean Energy Initiative.

This is the only statement I want to make to the press, and do not want to be interviewed or contacted by the media or the opposition campaign.

Sincerely,

A handwritten signature in black ink, appearing to read 'Eva Liu', with a long horizontal flourish extending to the right.

Eva Liu,
Owner, Kings Omelets
