To Whom It May Concern,

My name is HARRY LAL and I am the owner of (VOLUNTEER) SPICE KITCHEN restaurant. I recently learned that my name and my picture are on the No on 26-201 website.

I had thought that I was signing on to oppose a different ballot measure; I didn't realize that I was signing on to oppose the Portland Clean Energy Initiative.

After learning how the Portland Clean Energy Initiative will create jobs, help lower utility bills, and how it will only impact corporations that make over \$1 billion nationally, I have decided to support the Portland Clean Energy Initiative.

As of today, please take my picture off your website and do not use my name, business, or picture as part of the campaign to oppose the Portland Clean Energy Initiative.

Sincerely,
