Subject: Notice of Resignation

Dear Mr. Crager,

I am writing to inform you that I am resigning from my position as Chief Information Officer for the Oregon Department of Education (ODE), effective immediately. I feel that I am left with no choice but to resign due to the intolerable working conditions ODE has created by its unlawful actions, including those outlined in my letter to Governor Brown and Cindy Hunt, Acting Chief of Staff, on May 31, 2018.

Given that you have removed me from my responsibilities, cancelled all trainings, appointments, speaking engagements, etc. and have reassigned all my work for the past 5+ months, there should be no transition necessary.

Please contact my attorneys if you have questions from this point forward.

Sincerely,

Susie Strangfield
